Dear Fire Service / Business Partner:

As a leader in your industry you understand the importance of sharing your experience and expertise with those you serve. The Burlington County Fire Chiefs Association also recognizes the importance of sharing knowledge, experience and expertise with our colleagues in the fire and emergency medical services communities, and in doing so we are organizing our annual Leadership Seminar. The annual Leadership Seminar is scheduled for November 20, 2021. It will feature Captain Mark Davidson of Fairfax County (VA) Fire Rescue and Battalion Chief Brian Bastinelli of Harrisburg (PA) Bureau of Fire, who will share their experiences and expertise in addressing Character, Attitudes, and Values... The Development of High Performing Recruits and New Officers.

We hope that you'll consider sponsoring this training opportunity that plans to draw many firefighters, fire officers, and emergency medical services personnel for this dynamic and interactive session. As a leadership seminar sponsor, there will be opportunities for your team to connect with this dedicated group of established and emerging leaders before, during, and after the event.

Please contact us immediately to take advantage of this marketing effort to grow event attendance beyond our expectations – and the potential to grow your business beyond your own expectations.
